## This page is customized for David Scott Robertson (UM ID NONE )

(If you are not David Scott Robertson, please [log out](#) and sign in with your own [username and password](#) in order to receive credit for your work.)

**Certifications are valid for three years. The expiration date is shown in the table below.** The PEERRS system will send out two emails notifying you that your certification in a given module is about to expire. The notices are sent one month and then one week prior to the expiration date.

**See below for a special notice for eResearch users who conduct human subject research**

| Module      |   | Actions   | Length (pages) | Certified Through |
|-------------|---|---|----------------|-------------------|
| Required    | Human Subjects - Social & Behavioral Sciences | <a href="#">Start module</a>   <a href="#">Return to module</a>   <a href="#">Take test</a> | 48             | 10/05/2014        |
| Recommended | Foundations of Good Research Practice         | <a href="#">Start module</a>   <a href="#">Return to module</a>   <a href="#">Take test</a> | 32             | 10/05/2014        |
| Recommended | Research Administration                       | <a href="#">Start module</a>   <a href="#">Return to module</a>   <a href="#">Take test</a> | 28             | 10/05/2014        |
| Recommended | Conflict of Interest                          | <a href="#">Start module</a>   <a href="#">Return to module</a>   <a href="#">Take test</a> | 23             | 10/05/2014        |
| Recommended | Human Subjects - Biomedical & Health Sciences | <a href="#">Start module</a>   <a href="#">Return to module</a>   <a href="#">Take test</a> | 27             | 10/05/2014        |
| Recommended | Authorship, Publication and Peer Review       | <a href="#">Start module</a>   <a href="#">Return to module</a>   <a href="#">Take test</a> | 19             | 10/05/2014        |
| Optional    | Animal Subjects                               | <a href="#">Start module</a>   <a href="#">Return to module</a>   <a href="#">Take test</a> | 21             | -                 |

### Special Notice for NSF Grant Recipients

There are new certification requirements as of January 1, 2010. If you are an undergrad, grad or postdoc and your research is supported by an NSF grant, be sure to indicate this in [question three](#) of your PEERRS profile by selecting "I am a undergrad, grad or postdoc on an National Science Foundation (NSF) grant."

### Special Notice for eResearch Users

If you conduct human subjects research and/or are a study team member on a protocol before an IRB, be sure to indicate this in [question three](#) of your PEERRS profile.
