

Accessing Quia Flashcards for Causes of World War II

We have been studying the Causes of World War II

Put your hand on the mouse.

Move your hand and watch the pointer on the computer screen.

Move your hand so the pointer moves to the green button at the bottom of the screen.

Put the pointer on the green start button.

Click the mouse with your index finger.

Move your hand up so the pointer goes up on the screen to the word Internet or Internet Explorer.

Click the mouse with your index finger on the word Internet.

Find the address bar at the top that has a box with www inside the box.

Use your mouse and click inside the box at the end of the words or letters.

Hold the mouse button down and move your mouse across the letters making them blue.

Press the delete button on your keyboard and erase the website in the box.

Type in the box www.martybray.net/kward5

Use your mouse and click on MEDT 6401

Use your mouse and click on Quia Activities for Causes of World War II

Use your mouse and click on the word Flashcards written in blue.

Read the words on the front of the card 8.

Say the words in your head.

Use your mouse and click on the card.

Read the back of the card 8.

Say the words in your head.

Use your mouse and click on the "Remove Card" button.

Now you will do the same thing for card 7, 6, 5, 4, 3, 2, 1 that you just did for card 8.

Read the words on the front of the card.

Say the words in your head.

Use your mouse and click on the card.

Read the back of the card.

Say the words in your head.

Use your mouse and click on the "Remove Card" button.

When you have finished all of the flashcards, Put your hand on your mouse.

You can click on the X to close or click the "restart" button if you need more practice.

Read and discuss with a partner the questions you saw on the flashcards.

What country did Britain allow Hitler to take over before World War II began?

What dictator did Hitler ask to be an ally?

Who said an agreement would bring "peace for our time"?

When did World War II begin in Europe?

When Germany, Italy, and Japan became allies what were they called?

What caused the United States to enter World War II?

Who attacked Pearl Harbor?

What caused Japan to attack Pearl Harbor?

After discussing the questions, repeat the flashcards if needed.
