4/6/2010 15:05:33	Google Docs	Google Sites can be used in the classroom as a blog for students. It is a great way for students and teachers to collaborate on topics. Students can also ask for help or ask questions about assignments.	I am planning to use Photo Story and Scribble Map in the next month. I already have a blog that I use as my webpage to keep parents and students informed of events going on in the classroom.
