My name is Kim Ward and I have been teaching for 19 years. I have my undergraduate degree from Mercer University in Early Childhood Education. I obtained my master's degree from the University of West Georgia. I am currently pursuing an Educational Specialist degree in Instructional Technology from the University of West Georgia. I have taught Kindergarten, First Grade as well as teaching in the computer lab full time. My goal is to help students prepare themselves for lifelong learning. I work to help students meet and exceed the Georgia Performance Standards while using technology. I am married and have two children.

Several websites to enjoy with your family:

- [Tumblebooks Library](#)
- [netTrekker](#)- netTrekker Search, the leading educational search tool for K-12 schools, brings digital resources into the classroom in a safe, relevant and engaging way, making it faster and easier to provide a more personalized and productive learning experience for every student. All Coweta County students have accounts they can access from home.
- [Glogster](#)
  - [5th Grade World War II search](#)
  - [GALILEO](#)
  - [World War II Site list](#)
  - [Breaking Barriers video](#) - watch video 1 and 4
- [Blabberize](#)
- [Storylumper](#)
