

TL-I. Technology Operations and Concepts

Educational technology leaders demonstrate an advanced understanding of technology operations and concepts. Educational technology leaders:

Performance Indicator	COE Conceptual Framework Indicator	Artifacts
a. Demonstrate knowledge, skills, and understanding of concepts related to technology (as described in the ISTE NETS for Teachers 2000).	<u>Knowledgeable</u> : The candidate should be able to demonstrate general knowledge inherent in a liberal arts curriculum, advanced knowledge in content areas, and specific knowledge in professional education for the implementation of transformational systemic change.	<u>Course</u> : 7468 Introduction to Multimedia <u>Semester</u> : Fall 2009

My eBook PowerPoint project included animations, audio, and other multimedia elements. Two versions of the eBook were created: one that self-advanced and the other which included action elements to navigate. I chose to use a work from the public domain, Jabberwocky by Lewis Carroll, to create a project that I could use with students in English classes.
