TL-I. Technology Operations and Concepts

Educational technology leaders demonstrate an advanced understanding of technology operations and concepts. Educational technology leaders:

Performance Indicator	COE Conceptual Framework Indicator	Artifacts
a. Demonstrate knowledge, skills, and understanding of concepts related to technology.	Knowledgeable: The candidate should be able to demonstrate general knowledge inherent in a liberal arts curriculum, advanced knowledge in content areas, and specific knowledge in professional education for the implementation of transformational systemic change.	Course: 7468 Introduction to Multimedia Semester: Fall 2009

One of my favorite things I learned to do was digital storytelling. For this project, I used still pictures, existing video footage of President Obama's inauguration, music, and words to create a leadership video to use with my students and address one of the standards for my program area.
