TL-I. Technology Operations and Concepts

Educational technology leaders demonstrate an advanced understanding of technology operations and concepts. Educational technology leaders:

Performance Indicator	COE Conceptual Framework Indicator	Artifacts
a. Demonstrate knowledge, skills, and understanding of concepts related to technology (as described in the ISTE NETS for Teachers 2000).	Inquisitive: The candidate should seek continually to improve their knowledge, disposition, and skills to influence transformational systemic change.	Course: 7468 Introduction to Multimedia Semester: Fall 2009

This Photo-mation project was my first attempt at using PowerPoint as an animation tool. I used pictures of things which were important to me to provide an introduction of myself to my classmates. I also learned to use a tool to record myself playing guitar so I could include the sound file into my project.
