

Learner Assessment

Evaluate Lesson Effectiveness

State Objective

ASSURE Lesson Plan
"Do we really need to know this stuff?"

Select Media

Utilize Media

Require Learner Participation

Assemble group of elementary aged students

Have students understand how what they learn in school today will prepare them for their future careers

Prepare flashcards showing different careers.

Show students flashcards of different careers

Confirm that students understand why the information they learn in school is important

ask how what they learn in school would prepare them for that career
