

# HOMEWORK

---

## FIRST...

- **Choose an outfit that you would wear to an interview by doing one of the following:**
- Choose one outfit from the attached pages.
  - Choose an outfit from an online source. (You must cite the source.) Attach picture to assignment.
  - Utilize an outfit from your own personal wardrobe. Model this outfit by taking a picture. Attach picture to assignment.

Based on your outfit choice above...answer the following three questions:

- Describe (a) why you chose that particular outfit (b) how your outfit conveys professionalism.
- Do you or would you feel confident in this outfit? Why or why not?
- Name two places you could interview when wearing this outfit.

---

## NEXT...

**Complete the following:**

- Name two activities you would have to complete before an interview (i.e. shaving, getting a haircut).
  - 
  -
- How does dressing professionally affect employer-employee relationships?

Homework

- In five sentences or less, describe why dressing professionally is important and how it can affect your ability to get a job.
