10/7/2011 10:02:36	On-Campus Courses	1/5/2011	5 Maybe			33	It was mandatory, It fit in my work schedule	On campus course	Female	5	Graduate Student	I like the interaction you get from being face to face with the class and the work load is not as heavy. On-line classes can require you to log in everyday to check the status of your assignment and if you have to respond to post some classmates post at the last minute so you may miss a lot of opportunities to interact with others in the class.
